HOW TO USE UNIVERSITY TELEPHONES

Each University telephone - at the Medical Center and Chicago Circle has been assigned a phone number which consists of three prefix digits (996), followed by four digits. These last five digits are referred to as the University extension number.

A. When placing a call FROM OUTSIDE the University TO INSIDE the University, you dial all seven digits of the phone number just as you would when placing any telephone call.

B. When placing a call FROM WITHIN the University - using a University extension telephone - TO OUTSIDE the University, you first dial 9, and then the phone number.

C. When placing a call FROM ONE University extension TO ANOTHER University extension, you dial only the LAST FIVE DIGITS of the phone number.

D. To call the Peoria School of Medicine FROM The Chicago campus phones, dial 133 plus the FOUR DIGIT extension (general number is 133-3000), to call the Rockford School of Medicine, dial 132 plus the FOUR DIGIT extension (general number is 132-7610), to call the School of Basic Medical Sciences at Champaign-Urbana, dial 174 and the last FIVE DIGITS of the number (general number is 174-39284).
